Music School Education Scholarship***

Moeller Music, the leading music education retailer in the area, announces The Moeller Music Education Scholarship. This scholarship has been established by Larry D. Fullenkamp in an effort to encourage individuals to pursue education and careers in instrumental music school education.

Named for a local retail music business in southwest Ohio, the scholarship is available to high school seniors from the Ohio Music Education Association's (OMEA) District 13 including Warren County students, and who intend to major in instrumental music school education. An appropriate applicant is a student with a desire to pursue an instrumental music teaching career in a school system after graduation from college.
